

## Commercial Patients

### OXERVATE Copay Program

- Eligible patients may pay as little as \$0

## Medicare Patients

### Annual maximum out of pocket

- \$2100 yearly cap across all Part D prescriptions
- Medicare Payment Plan: spread costs via monthly payments
- Copay assistance may be available from independent charitable foundations

## Underinsured or Uninsured Patients

### Patient Assistance Program

- Eligible patients may receive OXERVATE at no cost

Once your patient is approved, Accredo Specialty Pharmacy will support your eligible patients through the financial assistance options like those listed above.

Start the process today to get your patient on OXERVATE®

You've made the decision to prescribe OXERVATE—we're here to help.

## 1 Submit Enrollment

### FAX

Complete the enrollment form and fax to Dompé CONNECT to Care.

- Fax: 1-855-263-1775
- Phone: 1-877-422-4412
- **Important:** Please complete all sections of the form, obtain the patient's consent, and sign and date the Rx; missing information may delay enrollment

OR

### E-PRESCRIPTION

E-prescribe to only 1 pharmacy:

#### CoAssist Pharmacy

- NCPDP: 5733604
- Phone: 1-855-382-2533

#### Accredo Specialty Pharmacy

- NCPDP: 4436920
- Phone: 1-877-831-8112

## 2 Benefits Investigation and Prior Authorization Support

- Upon enrollment submission, the benefits investigation will typically be completed in 1 business day or less
- You will be notified via fax if a prior authorization is required, and submission details will be provided
- Contact us at any time for additional prior authorization support at 1-877-422-4412

## 3 Financial Assistance and Delivery

Upon coverage approval, Accredo Specialty Pharmacy will:

- Support your patient with financial support screening
- Schedule shipment and delivery of OXERVATE
- Address any questions related to starting OXERVATE
