to enroll with Dompé CONNECT to Care.

Reminder: Patients must sign the patient
authorization on the enrollment form.

02 BENEFITS VERIFICATION AND PRIOR AUTHORIZATION (PA) SUPPORT

Your office will typically receive the completed benefits verification (including any PA requirements) within
1 business day after receipt of a complete enrollment submission.

**Dompé CONNECT to Care, Accredo, and our highly trained field teams are ready to help make your
OXERVATE PA submission process as seamless as possible.**

~82% of all enrollments are approved

Most PAs will require that you document:

- ICD-10 code(s)
- Disease stage
- Corneal sensitivity test results
- Prior treatment failures

03 FINANCIAL ASSISTANCE AND DELIVERY

**Upon coverage determination, Accredo will offer financial assistance options, if needed.
Help will also be available to:**

- Educate on financial assistance programs
- Schedule shipment and delivery of OXERVATE
- Address any questions related to starting OXERVATE

Helping patients navigate coverage and affordability options—regardless of insurance type

Financial support helps manage patients' out-of-pocket (OOP) costs

Most patients with Commercial coverage pay \$0 for OXERVATE®*

Some Medicare patients may have OOP costs[†]; if so, third-party foundation assistance may be available

Most Medicaid patients pay \$0 for OXERVATE

Underinsured or uninsured patients may qualify to receive OXERVATE at no cost through Dompé's Patient Assistance Program

Resources are available to support you along the full access journey. Your Dompé Key Account Manager (KAM) is your primary point of contact for any OXERVATE access questions and can connect you with Field Access Managers (FAMs) and Patient Access Managers (PAMs) when additional support is needed.

Download forms and resources for every step of the process:
OXERVATEhcp.com/resources

*For eligible patients. Program subject to change.

[†]Actual OOP costs will vary depending on how much the patient has contributed toward their annual maximum.
